

**Democracy Fund + UCLA Nationscape Survey**

**Sample** 6,730 (American adults, 18+)  
**Conducted** April 23, 2020 – April 29, 2020

Which of these statements is closer to your view about the coronavirus outbreak and religious services, even if neither of them is exactly right?

	People’s right to attend religious services in person should be protected, even if it means people are increasing the risk of exposing themselves and others <u>to coronavirus</u>	To limit the spread of coronavirus, state and local governments should be able to limit people’s right to attend <u>religious services in person</u>
All Americans		
White evangelical Protestants	40	60
White mainline Protestants	26	74
Black Protestants	24	76
Catholics	22	78
<i>White Catholics</i>	25	75
<i>Hispanic Catholics</i>	18	82
Non-Christian Religious Groups	23	76
Unaffiliated	15	85

**Democracy Fund + UCLA Nationscape Survey**

**Sample** 19,133 (American adults, 18+)  
**Conducted** April 16, 2020 – May 6, 2020

Most people live in states where many of the following things are restricted due to the spread of coronavirus. If restrictions were lifted on the advice of public health officials to do the following, how likely would you be to...Go to church/religious services

	I would definitely <u>do it</u>	I would probably do <u>it</u>	I would probably <u>not do it</u>	I would definitely <u>not do it</u>	I would not have done this before <u>coronavirus</u>
