109. Agreement - separate undocumented immigrant

Please tell us whether you agree or disagree with the statement: It is appropriate to separate undocumented immigrant parents from their children when they cross the border in order to discourage others from crossing the border illegally.

112. Health care reform bill

As you may know, the Affordable Care Act required nearly all Americans to have health insurance, or else pay a fine. Congress passed a law repealing this requirement starting in January 2019. Do you favor or oppose requiring all Americans have health insurance?

150. Responsibility of the government to reduce the income differences

How much do you agree or disagree with this statement? It is the responsibility of the government to reduce the differences in income between people with high incomes and those with low incomes.

167. Subpoenas issued by the House

As you may know, the recent midterm election resulted in Democrats winning a majority of seats in the House of Representatives. If the Trump administration ignored subpoenas issued by the House - official orders to submit emails, documents, and testimony - would this be appropriate or inappropriate?

177. Person tell truth about Brett Kavanaugh

In the recent confirmation hearing of Supreme Court justice Brett Kavanaugh, Dr. Christine Blasey Ford accused him of sexually assaulting her at a party when they were both in high school, which he denied. Who do you think is telling the truth about what happened at the party in high school?
