CCAP Panel Study

George Washington University

---

1. If an election for U.S. Congress were being held today, who would you vote for in the district where you live?

The Republican Party candidate 32%
The Democratic Party candidate 43%
Other 3%
Not sure 15%
I would not vote 6%

---

2. If you had to choose, would you lean more toward the Republican Party candidate or the Democratic Party candidate?

The Republican Party candidate 22%
The Democratic Party candidate 23%
Not sure 55%

---

3. Do you approve or disapprove of the way Donald Trump is handling his job as President?

Strongly Approve 21%
Somewhat Approve 19%
Somewhat Disapprove 10%
Strongly Disapprove 46%
Don't know 4%

---

4. Which one of the following statements best describes your feelings toward Donald Trump?

Like personally and approve of most policies 24%
Like personally but disapprove of most policies 4%
Don't like personally but approve of most policies 16%
Don't like personally and disapprove of most policies 50%
Don't know 6%

5. Do you have a favorable or an unfavorable opinion of the following people?

	Very favorable	Somewhat favorable	Somewhat unfavorable	Very unfavorable	Don't know
Donald Trump	22%	16%	8%	49%	3%
Paul Ryan	6%	21%	20%	37%	15%
Barack Obama	40%	15%	8%	33%	3%
Hillary Clinton	17%	24%	12%	43%	4%
Bernie Sanders	23%	25%	14%	29%	8%
Vladimir Putin	2%	7%	19%	60%	12%
Chuck Schumer	9%	20%	12%	32%	27%
Nancy Pelosi	11%	22%	12%	41%	15%
James Comey	8%	21%	16%	27%	27%
Robert Mueller	21%	17%	12%	21%	29%
Mitch McConnell	3%	14%	20%	40%	24%

6. Here are various types of political systems. For each one, would you say it is a very good, fairly good, fairly bad or very bad way of governing this country?

	Very good	Fairly good	Fairly bad	Very bad
Having a strong leader who does not have to bother with Congress and elections	8%	15%	24%	53%
Having the army rule	4%	13%	21%	62%
Having a democratic political system	55%	32%	8%	5%

7. How important is it for you to live in a country that is governed democratically?

Not at all important									Absolutely important
1	2	3	4	5	6	7	8	9	10
1%	0%	1%	1%	5%	4%	6%	11%	14%	56%

---

8. Which of these statements is closest to your view?

Democracy is preferable to any other kind of government. 76%
In some circumstances, a non-democratic government can be preferable. 17%
For someone like me, it doesn't matter what kind of government we have. 7%

---

9. Overall, how satisfied are you with the way democracy works in the United States?

Very satisfied 11%
Fairly satisfied 48%
Not very satisfied 32%
Not at all satisfied 9%

---

10. Which of these two statements come closer to your view?

Since the president was elected to lead the country, he should not be bound by laws or court decisions that he thinks are wrong. 9%
The president must always obey the laws and the courts, even if he thinks they are wrong. 91%

---

11. Here is a list of institutions in American society. How much confidence do you have in each one?

	A great deal	Quite a lot	Some	Very little
The Supreme Court	14%	30%	41%	15%
The news media	8%	19%	27%	45%
Congress	3%	11%	38%	47%
The Justice Department	9%	25%	43%	24%
The FBI	14%	27%	37%	22%
The military	31%	34%	25%	10%
The church or organized religion	16%	22%	31%	32%
Big business	4%	15%	39%	43%

12. Would you say things in this country today are...

Generally headed in the right direction 33%
Off on the wrong track 55%
Don't know 13%

13. Would you say that you and your family are...

Better off financially than you were a year ago 21%
About the same financially as you were a year ago 56%
Worse off financially than you were a year ago 18%
Don't know 5%

14. Overall, do you think the economy is getting better or worse?

Getting better 32%
About the same 36%
Getting worse 24%
Don't know 8%

15. In general, would you say life in America today is better, worse, or about the same as it was fifty years ago for people like you?

Better 30%
About the same 22%
Worse 38%
Don't know 10%

16. How much do you agree or disagree with this statement: These days I feel like a stranger in my own country

Strongly agree 16%
Mostly agree 34%
Mostly disagree 35%
Strongly disagree 15%

YouGov®

17. How much of the time do you think you can trust the government in Washington to do what is right?

Just about always 3%
Most of the time 16%
Some of the time 81%

18. Overall, do you think illegal immigrants make a contribution to American society or are a drain?

Mostly make a contribution 42%
Neither 13%
Mostly a drain 37%
Don't know 9%

19. Do you favor or oppose providing a legal way for illegal immigrants already in the United States to become U.S. citizens?

Favor 56%
Oppose 28%
Don't know 16%

20. Do you think it should be easier or harder for foreigners to immigrate to the US legally than it is currently?

Much easier 12%
Slightly easier 17%
No change 24%
Slightly harder 17%
Much harder 21%
Don't know 9%

YouGov®

21. Do you favor or oppose temporarily banning Muslims from other countries from entering the United States?

Strongly favor 22%
Somewhat favor 17%
Somewhat oppose 17%
Strongly oppose 30%
Don't know 13%

22. Do you favor or oppose allowing young adults who were brought to the United States illegally as children to stay and work here legally?

Strongly favor 39%
Somewhat favor 24%
Somewhat oppose 14%
Strongly oppose 14%
Don't know 10%

23. Currently the federal government caps the number of immigrants it allows into the country each year. Do you think the government should increase the number of immigrants it allows in each year, decrease the number, or keep it about the same?

Increase 18%
Keep about the same 49%
Decrease 33%

24. Should immigration from the following parts of the world be increased, decreased, or kept the same?

	Increase	the same	Decrease
Europe	17%	66%	18%
Mexico & Latin America	14%	51%	34%
The Middle East	11%	46%	43%
India	13%	61%	27%
China	12%	59%	29%
Africa	14%	58%	28%

25. When determining who should be allowed to legally immigrate to the United States, should greater emphasis be given to...

The applicant's ties to family members in the U.S. 25%
The job skills of an applicant 50%
Don't know 25%

26. Do you favor or oppose the tax plan that was passed by Congress and signed into law by President Trump?

Strongly favor 16%
Somewhat favor 19%
Somewhat oppose 14%
Strongly oppose 30%
Don't know 20%

27. From what you know of this plan, do you think each of the following will be better off, worse off, or about the same?

	Better off	Worse off	the same	Don't know
You and your family	25%	26%	36%	13%
The economy	31%	35%	20%	14%
The poor	23%	43%	22%	13%
The wealthy	60%	6%	21%	13%
The middle class	27%	37%	24%	13%

28. Do you think that this plan will lower taxes for people like you?

Yes 30%
No 49%
Don't know 21%

29. Regardless of how you feel about this tax plan, how important are each of these goals in reforming the tax system?

	Very important	Somewhat important	Not very important	Unimportant
Stimulate the growth of the economy	64%	29%	5%	2%
Lower taxes on corporations	19%	28%	23%	30%
Lower taxes for the wealthy	11%	18%	26%	44%
Lower taxes for the middle class	56%	35%	7%	3%
Lower taxes for the poor	57%	27%	10%	6%
Reduce the federal deficit	49%	37%	9%	4%
Lower taxes for me and my family	54%	32%	11%	3%

30. The tax plan that recently passed lowers taxes on corporations. Do you think this will help the economy, hurt the economy, or not make much difference?

Help the economy 35%
Hurt the economy 28%
Will not make much difference 21%
Don't know 16%

31. The tax plan that recently passed lowers taxes on the wealthiest Americans. Do you think this will help the economy, hurt the economy, or not make much difference?

Help the economy 20%
Hurt the economy 41%
Will not make much difference 25%
Don't know 14%

32. Do you favor raising taxes on families with incomes over $200,000 per year?

Yes 57%
No 27%
Don't know 16%

33. Thinking about the US economic system in general, compared with before the 2008 financial crisis, do you think the US economic system is:

More secure today than it was before the 2008 economic crisis 25%
No more or less secure than it was before the 2008 economic crisis 32%
Less secure than it was before the 2008 economic crisis 23%
Don't know 20%

34. Would you say that new regulations on Wall Street and the financial industry passed since the 2008 financial crisis will make another financial crisis...

Less likely 19%
More likely 20%
Won't make much difference 31%
Don't know 30%

35. Do you think the use of marijuana should be legal, or not?

Should be legal 55%
Should not be legal 32%
Don't know 13%

36. Which of these comes closest to your opinion?

North Korea's development of nuclear weapons is a threat to the U.S. that requires military action now. 17%
North Korea's development of nuclear weapons is a threat that can be contained right now. 59%
North Korea's development of nuclear weapons is not a threat to the U.S. at all. 7%
Don't know 17%

37. Which of the following two statements comes closer to your own view?

People should be allowed to express unpopular opinions in public, even those that are deeply offensive to other people. 56%

Government should prevent people from engaging in hate speech against certain groups in public. 27%

Don't know 17%

38. Do you favor or oppose a constitutional amendment that would allow Congress and state governments to make it illegal to burn the American flag?

Strongly favor 33%

Somewhat favor 13%

Somewhat oppose 13%

Strongly oppose 28%

Don't know 14%

39. Do you approve or disapprove of football players protesting by kneeling during the national anthem?

Strongly approve 28%

Somewhat approve 12%

Somewhat disapprove 11%

Strongly disapprove 39%

Don't know 10%

40. How good a job would you say your U.S. Representative does of keeping in touch with the people in your district?

Very good job 14%

Fairly good job 40%

Fairly poor job 23%

Very poor job 23%

41. How much does your U.S. Representative care about:

	A great deal	Some	Not much	Not at all
The country as a whole	29%	40%	19%	12%
His/Her political party's agenda	47%	39%	8%	5%
His/Her campaign donors	47%	38%	9%	5%
People like you	18%	36%	23%	24%
Your local community	24%	38%	22%	16%
His/Her political career	57%	32%	7%	5%
His/Her policy priorities	45%	39%	10%	6%
Your political views	16%	36%	22%	25%

42. In your view, do the Republican and Democratic parties do an adequate job of representing the American people, or do they do such a poor job that a third major party is needed?

Do adequate job 32%
Third party is needed 68%

43. How well represented do you personally feel by:

	Very well-represented	Somewhat well-represented	Somewhat poorly represented	Very poorly represented
The Democratic Party	12%	33%	18%	37%
The Republican Party	8%	28%	21%	43%

44. Which do you think is the Democratic Party's bigger priority?

Pursuing its own policy goals 68%
Addressing the concerns you have 32%

45. Which do you think is the Republican Party's bigger priority?

Pursuing its own policy goals 77%
Addressing the concerns you have 23%

46. If you were to vote for a new third party, where would you like it to stand on economic issues—like how much the government spends and how many services it provides?

More liberal than the Democratic Party 17%
About where the Democratic Party is now 13%
In between the Democratic Party and the Republican Party 39%
About where the Republican Party is now 9%
More conservative than the Republican Party 22%

47. If you were to vote for a new third party, where would you like it to stand on social and cultural issues—like abortion and same-sex marriage?

More liberal than the Democratic Party 18%
About where the Democratic Party is now 21%
In between the Democratic Party and the Republican Party 30%
About where the Republican Party is now 12%
More conservative than the Republican Party 19%

48. If you were to vote for a new third party, where would you like it to stand on the issue of immigration?

More liberal than the Democratic Party 13%
About where the Democratic Party is now 21%
In between the Democratic Party and the Republican Party 30%
About where the Republican Party is now 13%
More conservative than the Republican Party 23%

49. Which statements corresponds more closely to your view of democracy?

In a democracy, the opinions of the majority should govern as long as they don't infringe on the rights of the minority. 47%

In a democracy, the majority should take into account the preferences of the minority in governing. 34%

Don't know 19%

50. How satisfied are you with our system of electing members of the U.S. House of Representatives?

Very satisfied 14%

Somewhat satisfied 37%

Not very satisfied 21%

Not at all satisfied 13%

Don't know 15%

51. Each member of the House of Representatives currently represents an average of 700,000 people. Is that:

Too few 5%

Too many 32%

About right 33%

Don't know 29%

52. Since 1910, U.S. House has had 435 members even though the U.S. population has more than tripled since then. Which comes closer to your view?

The House should continue to have 435 members or else it will become too large and hard to manage. 42%

The House should increase the number of members so that the ratio of House members to the U.S. population comes closer to what it was before 1910. 32%

Don't know 26%

53. How important to you is it that the percentage of seats a party holds in the U.S. House of Representative corresponds closely to its percentage of total votes cast nationally for the U.S. House of Representatives?

Very Important 24%
Somewhat Important 31%
Not very Important 11%
Unimportant 6%
Don't know 29%

54. Here are two ways to elect candidates to office such as the U.S. House of Representatives. Which one do you prefer?

Voters select the single candidate they most prefer. Then the winner is the candidate with the most votes. 59%
Voters rank candidates on the ballot in their order of preference; the winner is the most popular candidate overall, taking into account voters' second, third and other choices. 23%
Don't know 17%

55. Do you strongly or somewhat prefer that option?

Strongly prefer 52%
Somewhat prefer 48%

56. Which of the following ways of electing representatives to the U.S. House would you prefer?

All congressional districts have a single representative, but it is possible for a party to control a majority of seats in the U.S. House while winning less than half of the national votes cast for the U.S House 24%
Congressional districts are larger and have multiple representatives instead of a single representative, but the percent of U.S. House seats won by each party is closer to its percentage of the national votes cast for the U.S. House ..32%
Don't know 43%

---

57. Now which of the following ways of electing representatives to the U.S. House would you prefer?

> All congressional districts have a single representative, but most U.S. House elections are not competitive because districts tend to be dominated by voters from one party 23%
>
> Congressional districts are larger and have multiple representatives instead of a single representative, but almost all U.S. House elections are competitive 38%
>
> Don't know 39%

---

58. Now which of the following ways of electing representatives to the U.S. House would you prefer?

> People elect representatives by voting for a party rather than for a single individual. Each party receives a percentage of seats in the legislature that is roughly equal to the percentage of the vote that this party received. ...17%
>
> People elect representatives by voting for individuals rather than for parties. Each party gets the number of seats in the legislature that its individual candidates win, regardless of the percentage of votes cast for that party's candidates overall. 52%
>
> Don't know 31%

---

59. How satisfied are you with our system of electing Senators?

Very satisfied 14%
Somewhat satisfied 44%
Not very satisfied 17%
Not at all satisfied 9%
Don't know 16%

---

60. Under the Constitution, each state has 2 U.S. Senators regardless of the state's population. Which comes closer to your view:

> This system is good because smaller states should have as much influence in the Senate as larger states. 60%
>
> This system is flawed because smaller states have too much influence in the Senate. 21%
>
> Don't know 19%

61. Under our system, a U.S. Senator serves for a 6-year term before the next election, compared to a 2-year term for members of the U.S. House of Representatives. Which comes closer to your view:

Senate terms should be shorter. Senators should face more frequent elections in order to be in better touch with voters. 52%

Senate terms are the right length. Senators should pursue the country's best interests without always having to worry about the next election. 48%

62. How satisfied are you with our system of electing the president?

Very satisfied 23%
Somewhat satisfied 29%
Not very satisfied 21%
Not at all satisfied 20%
Don't know 7%

63. Under the Electoral College system used in U.S. presidential elections, two of the last five presidential elections have been won by the candidate who did not receive the most votes nationally. Would you support changing the system to guarantee that the presidential candidate who wins the national popular vote would also win a majority of Electoral College votes?

Strongly support 34%
Somewhat support 17%
Somewhat oppose 9%
Strongly oppose 24%
Don't know 16%

64. Do you favor a system where each state commits its votes in the Electoral College to the candidate who wins the national popular vote?

Strongly support 23%
Somewhat support 18%
Somewhat oppose 12%
Strongly oppose 23%
Don't know 24%

65. Who you think is most responsible for drafting legislation in Congress?

Member of Congress themselves 19%
The staff who work for members of Congress 21%
Outside lobbying groups 35%
Don't know 24%

66. Over the last ten years, do you think Congress has increased or decreased how much it funds its own office and staff, or kept this funding about the same?

Increased funding by a lot 37%
Increased funding by a little 17%
Kept funding about the same 10%
Decreased funding by a little 3%
Decreased funding by a lot 2%
Don't know 30%

67. In the House of Representatives, the money given to members to set up and fund their offices and hire staff has actually decreased by over 16% since 2010. Thinking about your Rep. office and staff, do you favor:

Increases funding for office and staff 11%
Keeping funding the same for office and staff 41%
Decreasing funding for office and staff 21%
Don't know 27%

68. Do you agree or disagree with each of these statements?

	Strongly agree	Somewhat agree	Neither agree nor disagree	Somewhat disagree	Strongly disagree
It would be better to let people vote on important policy issues rather than leave them to elected representatives.	23%	32%	25%	11%	8%
There is no such thing as the "American people", only lots of different groups.	14%	23%	24%	18%	21%
The problems facing this country are just too important to leave to ordinary people to fix.	10%	22%	28%	21%	19%

69. Which better describes your view of why Americans disagree politically?

Our disagreements are rooted in divides over fundamental values that cannot be resolved. 42%

Our disagreements are rooted in real differences, but these can be overcome. 58%

70. Do you think members of the Trump campaign did or did not have improper contact with Russia during the 2016 presidential campaign?

Definitely did 33%
Probably did 18%
Probably did not 14%
Definitely did not 22%
Don't know 12%

YouGov

71. A special counsel, Robert Mueller, and a Senate committee are currently investigating Russian involvement in the 2016 election. If any of the following conclusions came out from the investigations, how serious do you think it would be for the Trump administration?

	Very serious	Somewhat serious	Not very serious	Not at all serious	Don't know
Donald Trump accepted assistance from the Russian government during the 2016 election campaign.	53%	16%	8%	10%	13%
Members of Donald Trump's campaign staff accepted assistance from the Russian government during the 2016 election campaign.	47%	20%	11%	10%	13%
Donald Trump sought assistance from the Russian government during the 2016 election campaign.	52%	16%	9%	10%	13%
As President, Donald Trump or his senior staff attempted to obstruct the special prosecutor's investigation into Russian involvement in the election.	53%	18%	8%	9%	13%

72. How confident are you that the special counsel Robert Mueller is conducting a fair investigation into Russian involvement in the 2016 election?

Very confident 30%
Somewhat confident 18%
Not too confident 14%
Not at all confident 23%
Don't know 15%

73. If President Trump decides to remove Robert Mueller as special counsel, would this be appropriate or inappropriate?

Very appropriate 11%
Somewhat appropriate 9%
Somewhat inappropriate 14%
Very inappropriate 47%
Don't know 19%

74. If President Trump decides to pardon senior members of his administration over charges connected to the Russian involvement in the 2016 election, would this be appropriate or inappropriate?

Very appropriate 9%
Somewhat appropriate 13%
Somewhat inappropriate 14%
Very inappropriate 45%
Don't know 20%

75. Based on what you know right now, do you think that President Trump should be impeached and removed from office?

Definitely yes 29%
Probably yes 15%
Probably no 9%
Definitely no 36%
Don't know 11%

CCAP Panel Study
George Washington University

76. Please indicate whether you agree, disagree, or neither agree nor disagree with each statement.

	Strongly agree	Somewhat agree	Somewhat disagree	Strongly disagree
Women should return to their traditional roles in society	7%	16%	23%	54%
When women demand equality these days, they are actually seeking special favors	17%	22%	22%	40%
Women often miss out on good jobs because of discrimination	29%	34%	22%	15%
Women who complain about harassment often cause more problems than they solve.	11%	23%	27%	39%
Sexual harassment against women in the workplace is no longer a problem in the United States.	6%	13%	31%	50%
Increased opportunities for women have significantly improved the quality of life in the United States.	37%	45%	12%	5%

YouGov

77. How closely have you followed the recent allegations of sexual harassment and assault against prominent men in entertainment, politics and the media?

Very closely 20%
Somewhat closely 48%
Not very closely 23%
Not at all closely 9%

78. Which comes closer to your view about recent allegations of sexual harassment and assault?

They are mainly isolated incidents of individual misconduct 35%
They mainly reflect widespread problems in society 65%

79. Do you approve or disapprove of how the Republican Party is handling the issue of sexual harassment and sexual assault in politics?

Strongly Approve 8%

105. Support changing electing system for president

Under the Electoral College system used in U.S. presidential elections, two of the last five presidential elections have been won by the candidate who did not receive the most votes nationally. Would you support changing the system to guarantee that the presidential candidate who wins the national popular vote would also win a majority of Electoral College votes?
